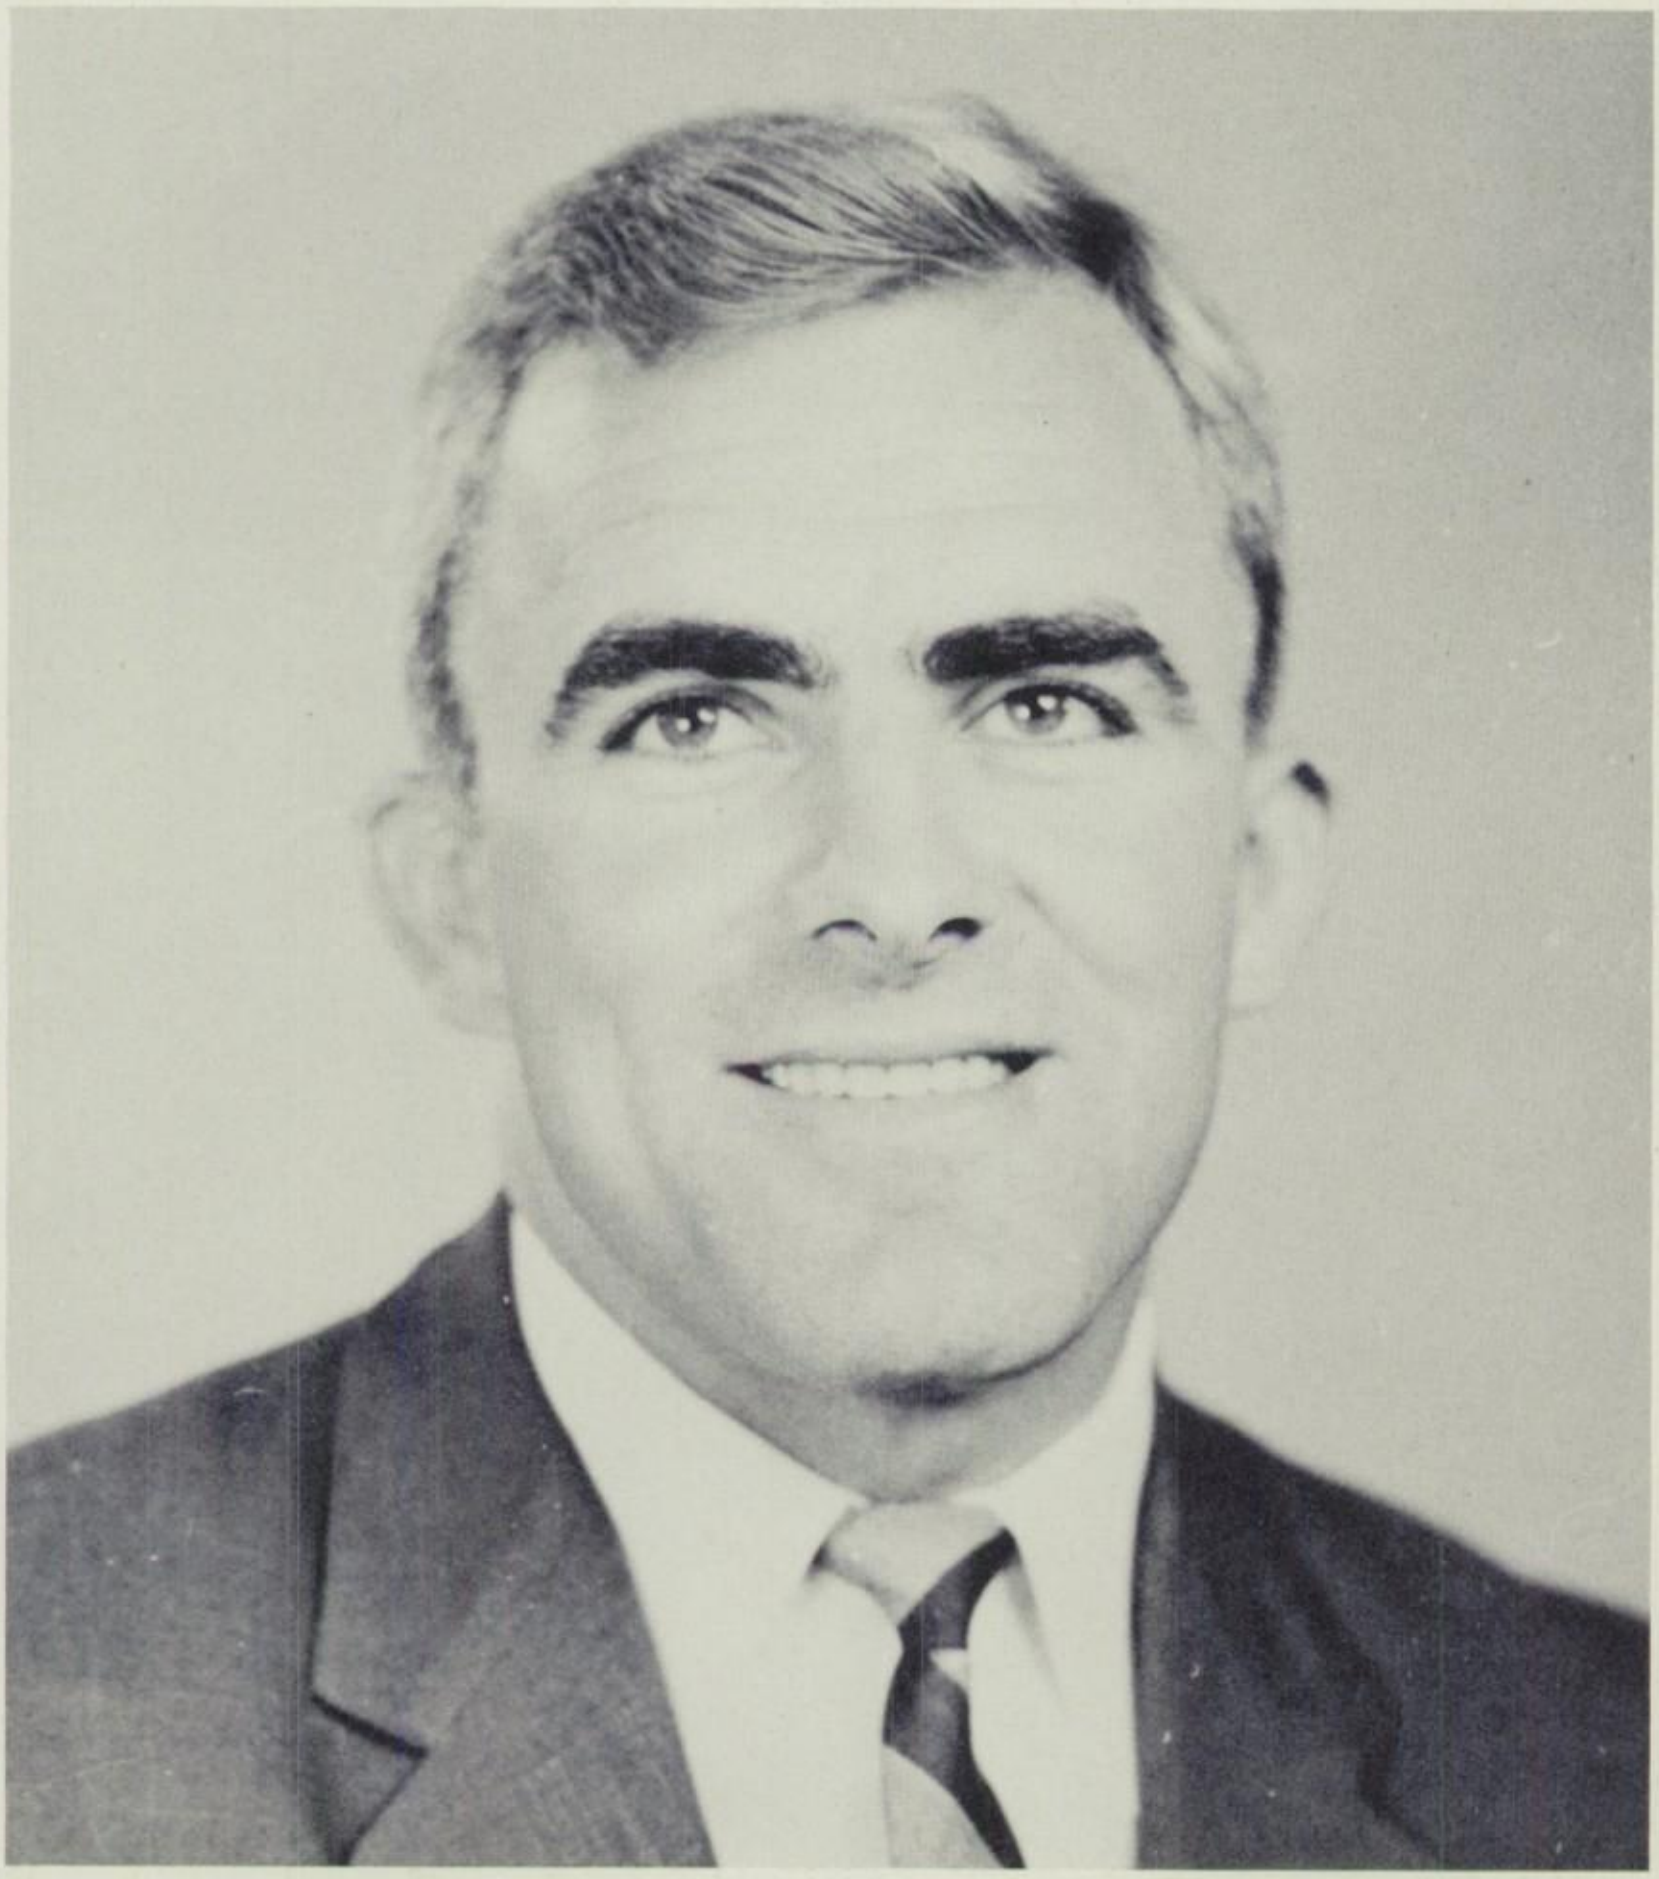
Nineteen Hundred and Fifty-Eight

Foreword

Though time will pass and we shall part, this book will be an unbreakable link in your chain of memories. These have been full years...years of activities, joys, and disappointments, excitement and discouragement; through all, however, has run a continuous strain of happiness that has made a rich imprint upon our lives.

If in turning the pages of this book, you recall some of the happiest hours, the best year; and if the pictures we have chosen will help to make your high school days more vivid throughout the passing years, then our purpose in publishing this annual has been fulfilled.

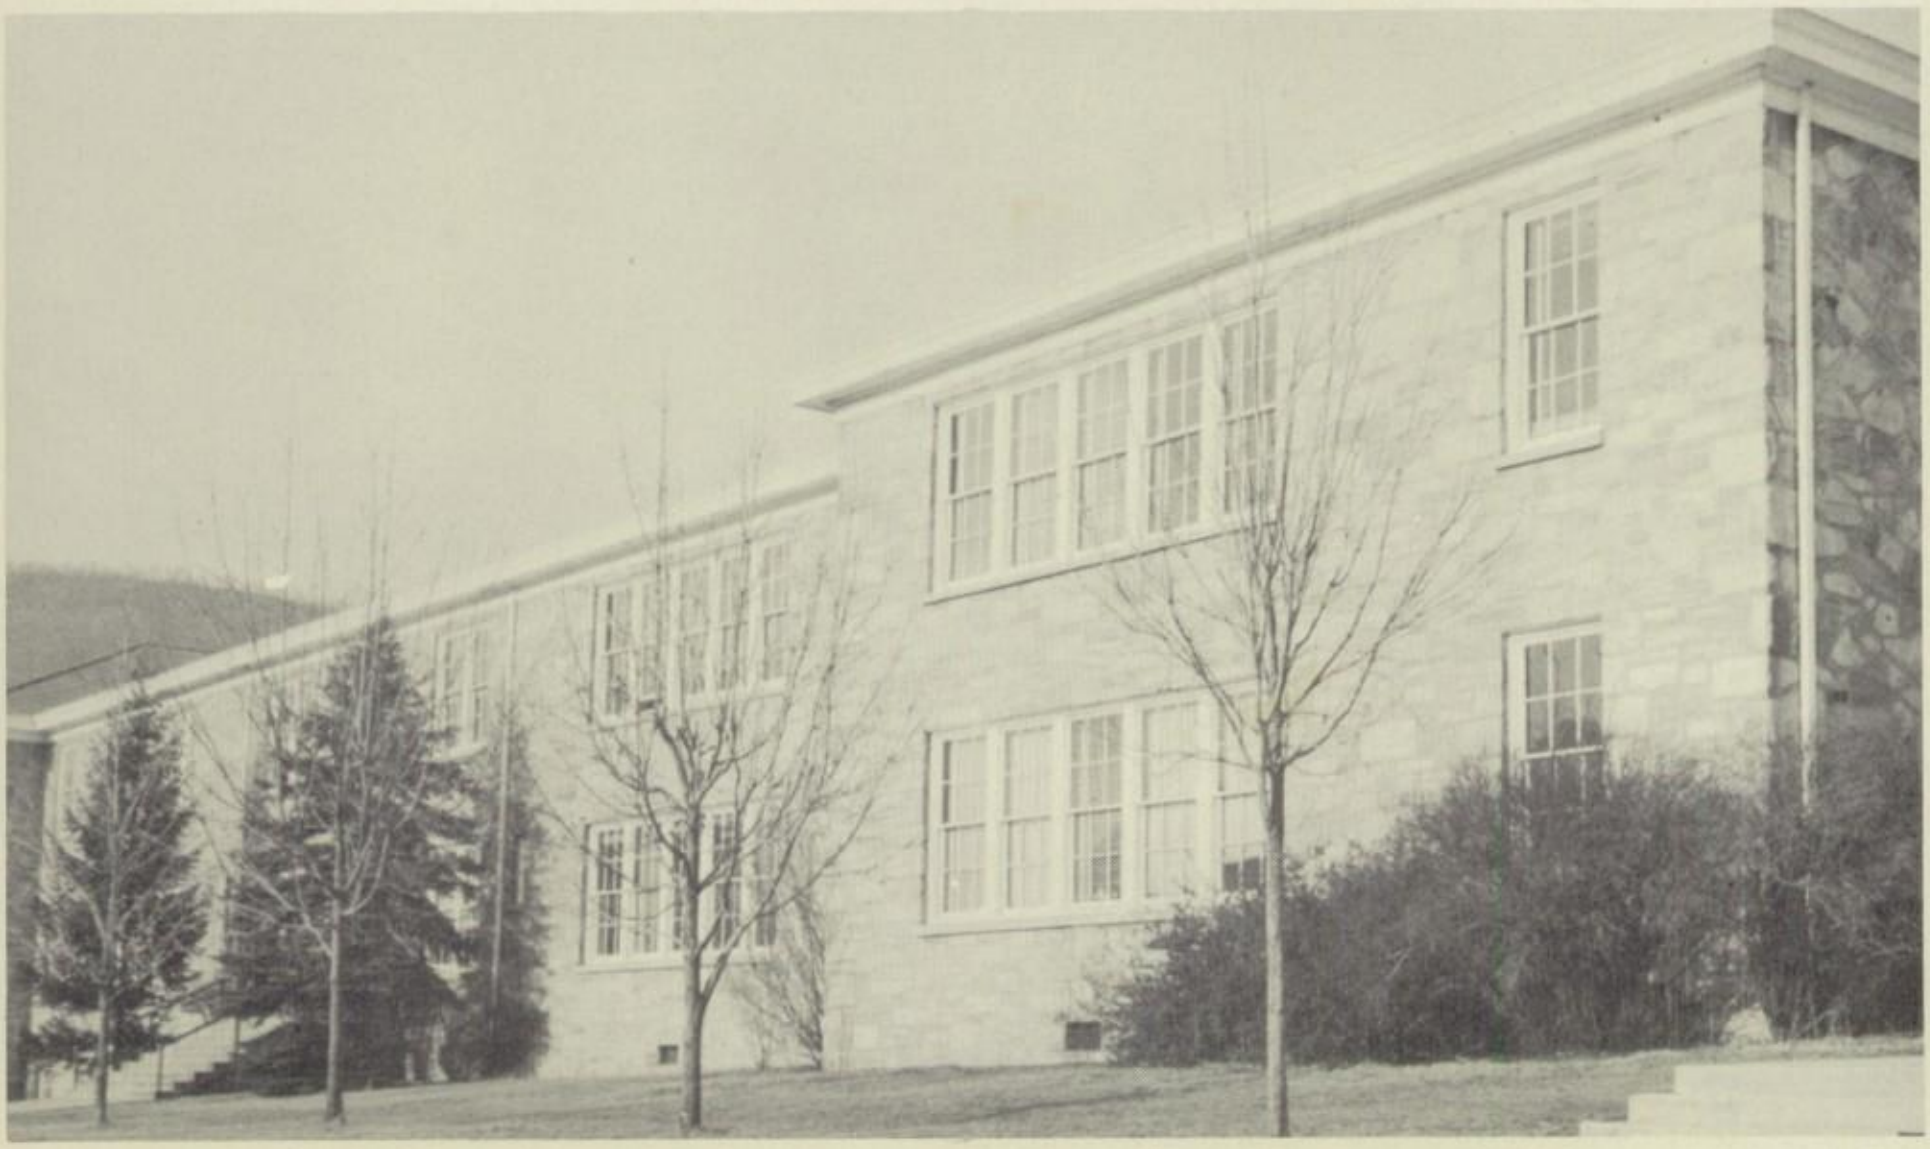


Dedication

To one whose genuine interest, help, and understanding have made our high school years easier, the Senior Class of 1958 proudly dedicate this, the twelth volume of the Laurel. You have worked for better citizens as well as for better bodies. You have been a friend, an inspiration, and a counselor. Thank you COACH GROCE for all you have done to make Appalachian High School a better place.

This is. . .

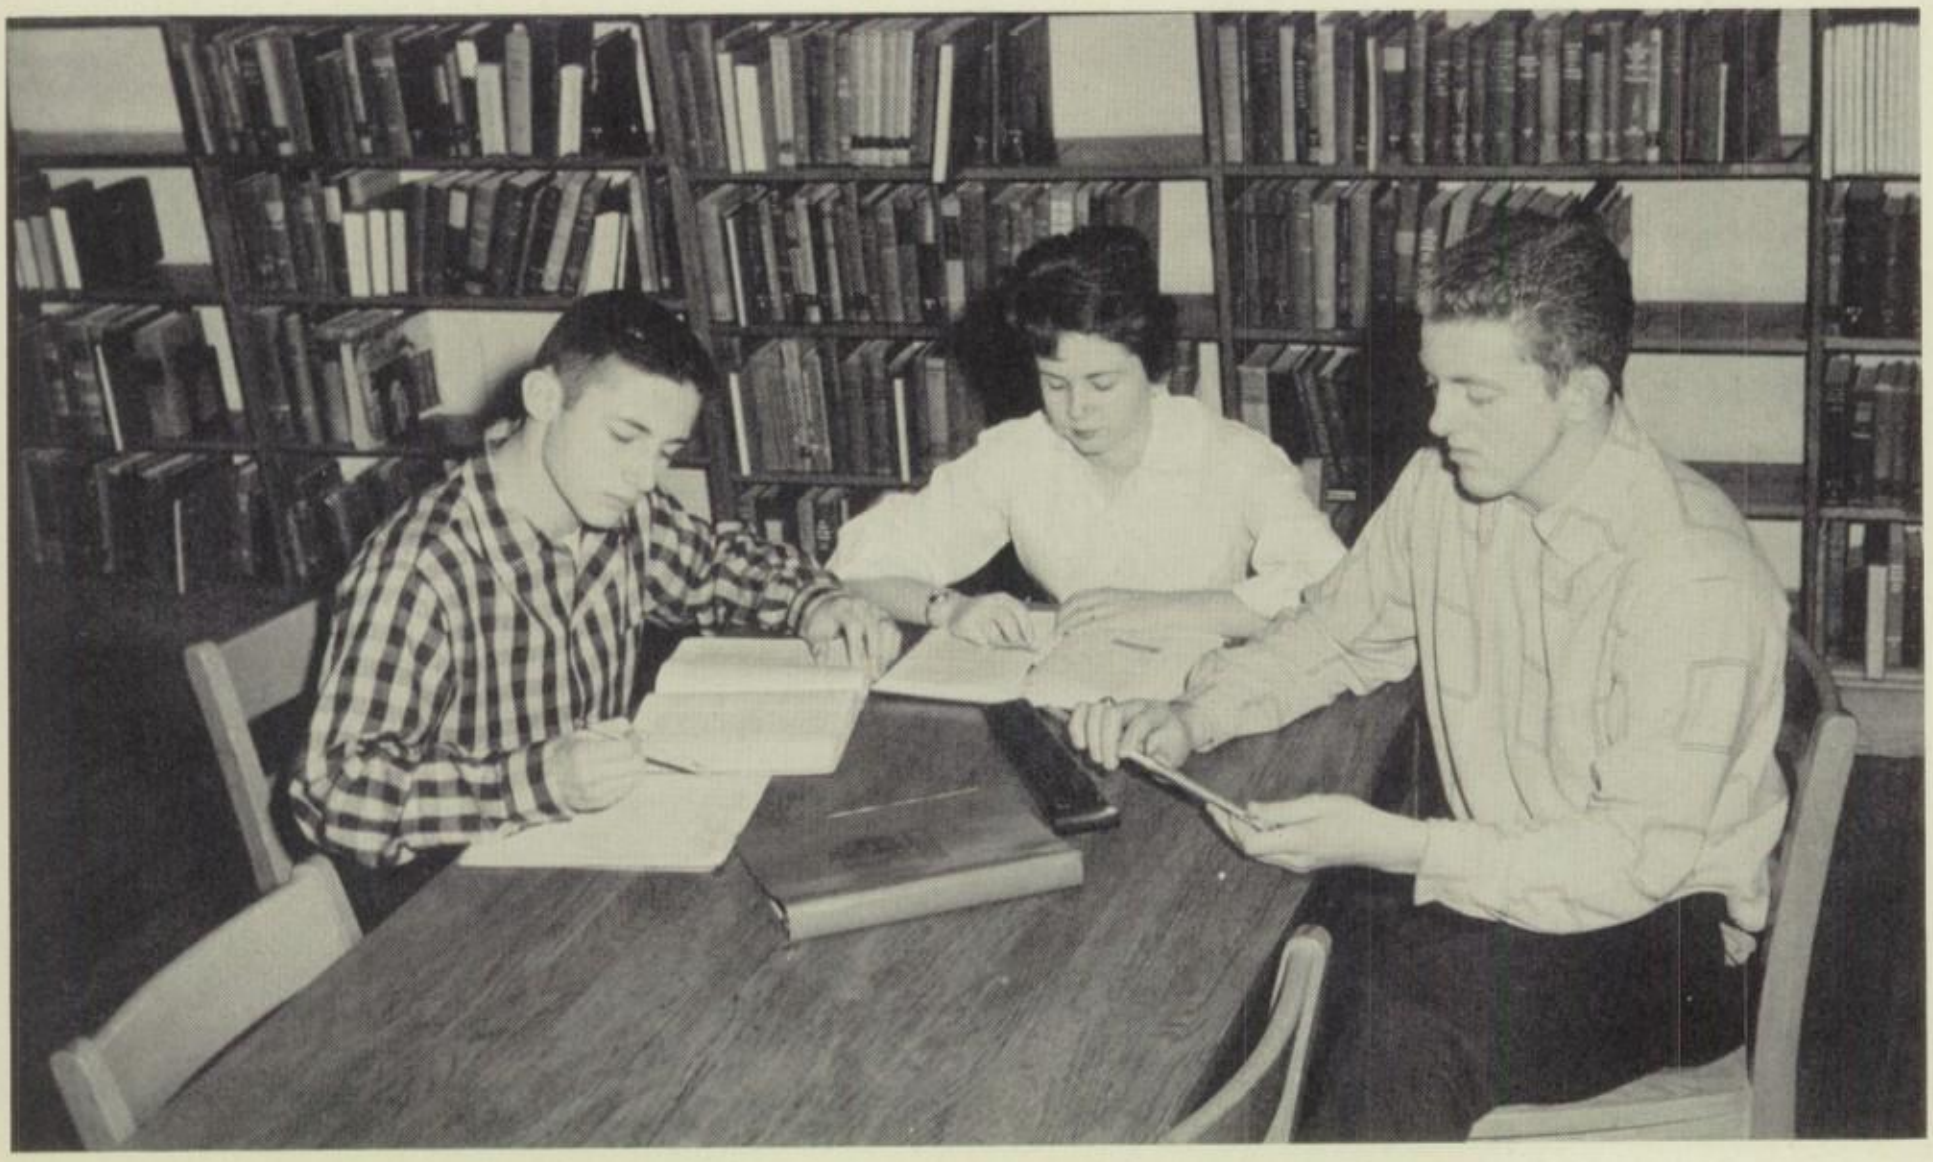
Appalachian. . .



where we spent. . .

the time of our lives. . .

studying. . .



and playing. . .

each day. . .

and each month.

HISTORY OF WRESTLING AT APPALACHIAN HIGH SCHOOL

Appalachian High School began wrestling in 1953. Mr. Steve Gabriel was the first coach. His team had three dual meets and won all of them. They placed third in the State Tournament making an impressive showing..J. W. Welborn (103) and Kermit Ashley (133) won individual titles in their respective weights. Mac Welborn (127) and Jim Brown (138) placed second; Phill McGuire (95) placed third; and Bill Brown (120) and Donald Lyons (165) placed fourth.

In 1954, Mr. Lawrence Oldaker became the coach. The team was undefeated in its second year of wrestling but did not show up as well in the State Tournament as before. J. W. Welborn (120) and Bill Brown (138) placed third.

Mr. "Snooky" Johnson was the wrestling coach in 1955. His team was also undefeated. At the State Tournament in High Point, Bill Brown (138) won a championship. J. W. Welborn (127) placed second; Tom Owsley (95) and Alan Van Dyke (145) placed third; and Harry Critcher (95) came in fourth.

In 1956 Steve Gabriel again returned to Appalachian High and coached wrestling. The team remained undefeated and came in

second in the State Tournament at Greensboro. It was heart-breaking defeat. Greensboro High School edged out the Blue Devils 103-102. Harry Critcher (95), Sammy Critcher (103), J. W. Welborn (138), and Alan Van Dyke (145) all won first place trophies. Harold Hayes (112), Bobby Reynolds (120), and Wendell Critcher (127) came in second best, while Kent Greer (133) and James Green (154) placed third.

In 1957 we finally did it - North Carolina High School State Wrestling Champions! Appalachian High School 92... Greensboro High School 82...Coach Hubert Dancey brought a happy bunch of boys back from Burlington with a brand new trophy. Larry Norris (95), Sammy Critcher (112), Tom Owsley (120), Joe Miller (127), Bobby Reynolds (133), and Wendell Critcher (138) all won first place titles. James Green (154), and Kent Coleman (165) placed third while Dick Brown (145) came in fourth. In dual meets during the year, the team remained undefeated.

1958 is the sixth year Appalachian High School has had a wrestling team. We have never been beaten in a dual meet...Mr. Steve Gabriel is doing a fine job as coach. This is another big year for wrestling at Appalachian High!

Class History

ROCKET SHIP '58

In the year of 1954, 134 potential space men enrolled in Appalachian High School with one goal firmly entrenched in their minds-that being to reach the moon. Jerry West was appointed chief cadet ably assisted by Dick Brown, Mary Lawrence, and Joyce Hayes. In order to raise funds for the rocket ship the cadets sponsored a football dance. Having safely secured funds, they adjourned for the summer to meditate the space problem.

In the fall of '55, cadet West with his aides - Jack Hayes, Wilma Moretz, and Pat Cook - again summoned the potential space travelers to Coach Groce's laboratory. The cadet's social program was taking on more astronomical proportions. They sponsored the Christmas dance with cadet Mary Lawrence reigning over the festivities. The cadets also sponsored the Valentine dance. General Groce's recruits won the space station clean-up contest. Having laid the frame work for the rocket ship, they retired to star-gazing for the summer.

With visions of the Big-Dipper in mind, once again the cadets returned to the space station. At the first meeting, cadet West and his lieutenants - Jack Hayes, Mary Lawrence, and Betsy Rogers-outlined the space program for the year. This program consisted of sponsoring the Halloween Carnival, football dance, and the magnitudinous Junior-Senior Prom. Chief cadet West was elected Student Body President. Cadet Betsy Rogers was selected homecoming queen and chief cheerleader. The following name cadets were inducted into the National Honor Society: Pat Brown, Clara Beach, Faye Day, Judy Gragg, Margaret Hampton, Betty Hollar, Mary Lawrence, Wilma Moretz, Tom Owsley, Pat Proffitt, Betsy Rogers, Jerry West, and Linda Wey. At a special meeting cadets Pat Dowling, Mary Lawrence, Linda Wey, Tom Owsley, Eddie Rush, and Jerry West were elected Junior Marshals. General Groce again won clean-up in addition to the magazine contest. The space ship complete except for fuel, the cadets blasted off for the summer.

With sputniks flying around, the cadets returned in '57 to greet the new chief, Tom Owsley, and his assistants - Dick Brown, Jack Hayes, and Elizabeth Hagaman. Cadets Linda Wey and Eddie Rush were selected homecoming queen and king. Cadets Sherrill Hagaman and Betty Swift were chosen as co-captains for the girls' space ball team. Spacemen Tom Owsley and Sammy Critcher were elected wrestling captains, and cadets Dick Brown and Kent Coleman were chosen football captains. Cadet Pat Maddux was elected editor of the senior space annual, and Diana Smith was chosen co-editor of the monthly space report. Being very sociable, the cadets sponsored two football dances and also the Christmas dance. With the rocket ship ready to fire and being commissioned full spacemen they blasted off for Washington, where the spacemen along with their chaperons and sponsors - Mrs. Nash, Mrs. Tully, Mrs. Hamilton, Mr. Steve Gabriel, Mr. Everett, Mr. Groce, Mr. Hill, Miss Schell, and Miss Hicks - enjoyed a safe, hilarious trip to the moon. When they arrived, the "Crew" beamed approval of the four year scientific project.

All this proves that this year's senior class is out of this world !!!!
